## LOCAL ENGAGEMENT OPPORTUNITIES

### ABOUT BEST BUDDIES

The foundation of Best Buddies is to establish a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment, leadership development, and inclusive living for individuals with intellectual and developmental disabilities (IDD). We invite **Shutterfly** brands and its employees to join the Best Buddies movement and engage in local events and programs in meaningful ways, helping build more inclusive communities and opportunities for people with disabilities across the United States.

*Note: Best Buddies programs exist in 54 countries around the world - including Canada!*

### WAYS TO GET INVOLVED

Register to volunteer at [www.bestbuddies.org/shutterfly](http://www.bestbuddies.org/shutterfly)

#### THROUGH LEADERSHIP

##### Leadership Training Facilitator/Speaker

Each year, Best Buddies provides leadership training for participants. **Shutterfly** employees have an opportunity to mentor and serve as guest speakers at their local Best Buddies Leadership Conference.

##### Ambassador Training Days

Best Buddies **Ambassadors** is a program that teaches our participants with IDD about speech writing, public speaking, and self-advocacy. **Shutterfly** employees can support by serving as speech coaches at a local training.

#### IN MY COMMUNITY

**Shutterfly** employees have the opportunity to make an impact in their local communities by volunteering or taking photos at local Best Buddies program and awareness events.

##### It's a Match Parties

School chapters match students with and without IDD into one-to-one friendships. To reveal the matches to participants, they host a celebratory Match Party.

##### Friendship Balls/Proms

The biggest party of the year, where participants get glammed up and dance the night away!

##### Friendship Walks/Champion Galas

Best Buddies hosts community events such as Friendship Walks and Champion of the Year Galas to raise awareness and necessary funds for its programs.

#### BY BECOMING A FRIEND

##### e-Buddies

**Shutterfly** employees can get matched in virtual friendship with someone with IDD online! Participants connect through the e-Buddies social platform, which is designed to expand friendships and create shared experiences through virtual social events, engaging discussion posts, entertaining polls, Q&As, and interest groups.

##### Corporate Citizens Program

Join our Adult Friendship Program by starting a Best Buddies **Citizens** corporate chapter! **Shutterfly** employees would be matched into one-to-one friendships with individuals with IDD. Best Buddies would work with you to plan social events for members to enjoy, creating a more inclusive community and workplace.

### PARTNERS IN INCLUSION

We envision a partnership celebrating and capturing life's milestone moments. For those with IDD, these moments are not guaranteed. Together, the **Shutterfly** family of brands and Best Buddies can provide opportunities for people of all abilities to have the chance to enjoy these moments as they are **designing their future**.
