

BEST BUDDIES

# VOLUNTEER!

The  
Cheesecake  
Factory

**BEST BUDDIES** is a non-profit organization dedicated to creating opportunities for people with intellectual and developmental disabilities through meaningful one-to-one friendships, supported employment, leadership development, and inclusive living. The Cheesecake Factory is a proud partner in this global movement!

## WALK WITH US!

Join us at one of our local **Best Buddies Friendship Walks** as we unite with hundreds in our area and walk to bring inclusion to people with disabilities in our schools and communities. Round up your friends, families, and co-workers, participate, form a Walk Team or volunteer at the event!

## CELEBRATE WITH US!

Participating in our **Champion of the Year** campaign brings much-needed inclusion opportunities to people with disabilities throughout our state. You can serve as a Champion and raise funds and awareness for Best Buddies, attend our Gala, and/or volunteer at the event!

## SUPPORT US!

Get matched with a Best Buddy, volunteer on a special project or event, serve on a planning committee, and so much more! Any way you support, you'll be changing lives through friendship and inclusion.
